

LIVESTREAM

LIVESTREAM

ABF Journal will be launching a monthly livestream program in 2021. These events will offer a “live” virtual platform for commercial finance professionals to engage in the most important current issues impacting the industry. Whether it’s a panel of industry experts or an interview with a leading commentator, these livestream events will tackle timely topics and reach a broad spectrum of professionals in the commercial finance sector. These events will be available for free and will be recorded for dissemination via ABF Journal’s e-news and social media platforms.
